(*) Denotes days that the center would typically close, as the Bay Schools are closed. We will send out a survey to parents a month in advance to see if there is an interest in staying open for full day care for all ages. If we have enough interest and can schedule according to staffing needs, we will allow children to sign up for full day care for an additional fee. **These “non-school days” are not included in your regular tuition.** If we don’t have enough interest, the center will be closed.

Snow Days:

Bethesda Childcare Center closes when the Bay School closes for snow accumulation or cold weather. We will notify you of any closures via the local news channels and via our Facebook page.

Tuition Schedule:

The monthly school year tuition runs September 1st- May 31st. The days in August are not billed, as we bill for the entire month of December, even Christmas Break. Tuition is billed on the 20th of each month and payments are due by the first of each month. There are no refunds for holidays, vacation days, absent days, or snow/cold days. Please review our handbook for more details.
