

A Day in the life...

November 2017 - letter #89

Dear Friends,

The past month has been a very exciting time for my wife, Julie, and I. We had many preparations to make for our trip to the USA. We send out many thanks to everyone at FLC and other friends who donated money to make our travel plans a reality!

Then after a few issues with the airplane, we flew to Texas. There we met friends, and Pastor Jimmy. And on October 17th we came to Ohio to meet Pastor Rosy for the first time and to see all of our friends here. We're pleased to say that we have been spending so much time with all of you, that I ran out of time to write my November article for the *Lectern*.

This month I send out warm wishes and greetings to all of you. Julie and I look forward to seeing you, worshiping with you at FLC, meeting new friends and seeing new things on our journey here to the USA.

Please look for my article to return in the December issue of the *Lectern*. I'm hoping to be able to share with you some of our experiences from our travels to Texas and Ohio.

Blessings,

Pastor Ben and Julie
